Public Notice – Workshop Announcement  
HAZARDOUS WASTE REGULATIONS

The Nevada Division of Environmental Protection (NDEP) will be holding a workshop on draft regulations concerning hazardous waste. The purpose of the workshop is to obtain input from the public and regulated community on the proposed regulatory changes.

NDEP proposes to modify existing state regulations to establish and define two subcategories of waste that are generated outside the state. The two proposed subcategories are *remediation wastes* and federally *delisted wastes*. These revisions will provide for more uniform regulatory treatment and equitable assignment of fees when such wastes are managed in Nevada.

A workshop will be held at the following date, time and location:

*January 6, 2004 - 9:00 AM*  
Nevada Division of Environmental Protection  
Conference Room 217  
123 West Nye Lane  
Carson City, Nevada

Written comments will be accepted until 5:00 PM, January 9, 2004, and should be sent to [Jim Trent](#), Nevada Division of Environmental Protection, Bureau of Waste Management, 333 W. Nye Lane, Carson City, NV 89706-0851. A copy of the proposed regulations may be obtained by calling NDEP at (775) 687-9478. The proposed regulations may also be viewed via NDEP's public notice website at <http://ndep.nv.gov/admin/public.htm>.
